The Township of McKellar Public Library Board attended the February 4, 2025, Council Meeting to present their Annual Report and reported that they are this year's recipient of the Ontario Library Association's Joyce Cunningham Award. Also known as the Public Library Board of the Year Award, it is presented to a public library board that's demonstrated a high level of collaboration and innovation to produce outstanding results. The library successfully obtained an L.E.A.F. grant from the Commonwell Mutual Insurance Group and in turn has undergone renovations that include a new storage room, new paintings, new shelving and desks, updated technology and they have created a wonderful new makerspace. Congratulations McKellar Public Library and Board, such a well-deserved achievement for all your hard work.
